7 DIA TA LOKE SINDICATO A DUNA GOBIERNO

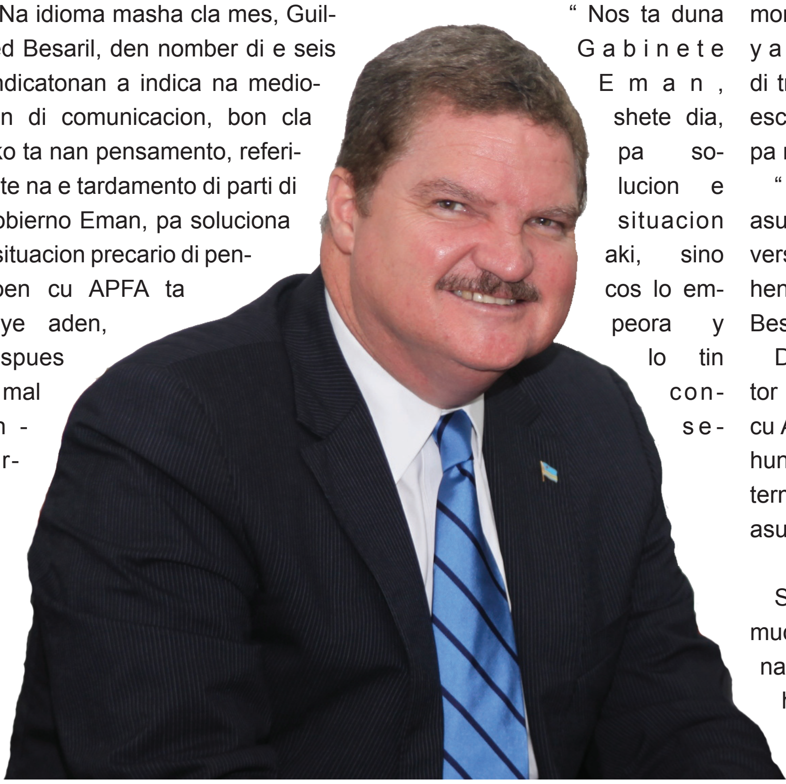

Seis sindicato di cu Gabinete Eman, ”Bo tin 7 dia”, pa soluciona problema di APFA

Di berdad cos no ta di pinta macamba entre e seis sindicatonan y Gabinete Eman pa loke ta trata e situacion fastioso di e pensioen cu APFA ta maneha.

Na idioma masha cla mes, Guilfred Besaril, den nomber di e seis sindicatonan a indica na medionan di comunicacion, bon cla kiko ta nan pensamento, referiente na e tardamento di parti di Gobierno Eman, pa soluciona e situacion precario di pensioen cu APFA ta haye aden, despues di mal inversion cu a costa nos miyones.

E sindicatonan ta pidi un,” Drie Hoek vergadering”, pa soluciona e situacion aki y lo mas pronto posibel.

“ Nos ta duna Gabinete Eman, shete dia, pa solucion e situacion aki, sino cos lo empeora y lo tin consecuencianan hopi serio pa nan,” na palabra e vocero di e seis sindicatonan, Guilfred Besaril, cu tambe ta presidente di bond di polis, SPA.

Easki ta un di e exigencianan poni pa nan, diaranson ultimo, na momento cu nan a sinta na mesa y a discuti e asunto aki. E protocol di tres punto aki a ser manda por escrito pa Gabinete Eman tambe, pa nan por sinta na mesa.

“ Mester bini claridad riba e asunto aki y pa caba cu varios versionnan cu ta mas bien bruha henter e asunto aki mas ainda,” Besaril a duna di conoce.

Den henter e asunto aki e factor mas importante ta e tempo, ya cu APFA mes a indica cu tempo ta hungando un rol importante y determinante den solucion henter e asunto aki.

Si encaso, e asunto aki tarda mucho, anto e plan B, lo drenta na vigor cu ta encera,cu cada trahador cu ya a hinca hopi placa caba den e inversion aki, lo mester pa aporta mas ainda na esaki, cu lo coste mas placa na prima y pa tog haya menos bek.

E di dos punto ta, cu a instala un comision entre e sindicatonan, pa busca conseho huridico pa evalua e caso y esaki si encaso no soluciona e asunto aki cu ayudo di Gabinete Eman. Kiko lo ta e posibilidadnan cu ta keda pa e trahador y e otro posibilidadnan legal cu lo por tuma na cuenta, e ora ey.

E intencion lo ta pa pone e directiva di APFA, personalmente responsabel pa e situacion reinante aki.

E directiva ta uno independiente cu por responde na e clientenan.

E ultimo punto ta mira cu prudencia con pa duna informacionnan di e caso aki, na e clientela, esta e moembronan di e sindicatonan.

“ No ta descarta un welga den e caso aki, pero prome lo mester haya conseho huridico prome cu bai den cualkier tipo di accion”, segun Guilfred Besaril a duna di conoce den su descertacion na prensa, referiente na e topico di pensioen aki.

Conseho di Ministro di Reino lo reuni cu e tres Prome Ministronan

Pa otro siman diabierna, e tres Prome Ministronan di Aruba, Mike Eman, di Corsou, Gerrit Schotte y di ST. Maarten Sarah Wescot-Williams, lo mester atende e reunion di Conseho di Ministronan Hulandes na Den Haag , Hulanda, pa trata entre otro e situacion di finansa di e tres islanan. Mas bien ta enfoca riba e situacionnan di finansa di e islanan di Corsou y Sint Maarten.

Normalmente no ta duna e puntonan di agenda di Conseho di Reino, publicamente, pero un paar di e topiconan riba agenda tog a yega na oreo di prensa.

Un otro topico cu lo ser trata, ta e cuestion di e polemica di,” Investigacion Bientu”, na Corsou, den cual figuranan manera, Ministro Wilsoe, Gobierno di Corsou y Robbie’s Lottery ta hinca pa ser trata y tambe e cuestion di e beslag imponi na Merca riba mas di 30 miyon dollar di Dos Santos cu ta gelink cu e Gobierno di Prome Ministro Gerrit Schotte, entre otro.

Siman pasa Ministro encarga cu Asuntonan Interno y di e islanan hulandes den Caribe, Liesbeth Spies, a manda un carta pa e di dos Camara, na unda eta informa di su bishita hasi cuater siman pasa na Corsou, referiente na e situacion financiero precario di Corsou y e cvaso “ Bientu”.

A bin un peticion di parti di CFI, pa Conseho di Ministro di Reino, pa expresa riba e casonan aki na Corsou y si duna un aprobacion afirmativo, lo bai over na impone,”Curatela” pa e isla di Corsou, si esaki bira necesario. E desicion aki lo mester keda tuma pa Conseho di Ministro di Reino cu ta e instancia cu ta supervisa e casonan aki y cu lo mester dicidi, prome cu e receso pa vacacion cu lo ta otro siman, diabierna.

E reunion cu e tres Prome Ministronan di Aruba, Corsou y Sint Maarten , na unda den e reunion aki lo asisti tambe e tres MinistroPlenipotenciario di e islanan respectivamente.

Aruba lo no tin mucho problema pa duna relato financiero di Gobierno y tampoco lo mester sintiele acolara den ningun sentido pa e Conseho di Ministronan di Reino.

Aki na Aruba te ainda no a publica ningun informe alrespecto di e reunion aki na Hulanda door di Gabinete Eman te ainda.

Desicion di Ministro Oduber lo determina kiko lo sosode na Westin

Pa basta tempo caba tin e deisputa entre trahadornan na Westin, nan sindicato actual y STA, cu ta e sindicato cu nan kier afilia na djele awor y Mediador di Gobierno, Anselmo Pontiluis, kiko lo bai sosode, ya cu tin un sentencia di Huez cu lo no por tene otro referendum sin mas, ya cu e actual CAO ta vigente aínda.

Consehonan huridico na e momentonan aki, aparentemente ta indica lo contrario, debi cu lo tin suficiente puntonan y argumento na fabor pa confronta Westen Resort, huridicamente.

Manera ta conoci den e prome instancia, Huez a prohibi, meidador di Gobierno, pa organisa un referendum na dichi hotel, bao di e empleadonan.

Si resulta cu lo por cambia e veredicto di Huez anterior, anto e empleadonan di Westin Resort, tin tur motibo pa organisa nan mes pa yega na yama un referendum di nobo.

" Leynan y tratadonan internacional ractifica, ta na fabor di e caso aki," segun Mediador di Gobierno, Anselmo Pontilius a duna di conoce.

Den pasado, ta tin un maneho, na unda ta mustra cu solamente por tene un referendum, na unda tin un contracto colectivo, cu no prome cu seis luna cu e vence, por tene dicho referendum.

Den caso di e empleadonan na Westin Resort, esaki ta permisibel te na luna di december, cu lo ta stipula cu lo ta exactamente, seis luna prome, ya cu e contracto colectivo na Westin lo vence na juni di otro aña.

E palabra ta na su excelencia Ministro di Turismo, Otmar Oduber, pa tuma un desicion al respecto pa si por yama un referendum tog, despues di busca rason dilanti mesa perde, atrobe.

Mediador di Gobierno, Anselmo Pontiluis, ta hopi optimista cu esaki lo ta e caso si nan haya lus berde di Ministro Otmar Oduber pa dal bai corte pa busca un desicion positivo, pa por logra yama un referendum tog na Westin Resort pa su empleadonan cu kier cambia di sindicato y afilia nan mes na STA.

Visa y diploma pa Arubiano por traha na Hulanda

Topico di dia den e dianan aki na Hulanda, sigur, pero tambe aki na Aruba y otro islanan cu a yega di forma Antia, ta den expectativa kiko lo bai sosode despues di e elecionnan pa Parlamento Hulandes, na septembet proximo, lo determina, kiko lo sosode, esta si partido di e politico y lider hulandes, Geert Wilders, di PVV, kende ta pensa di saca Aruba y e otro islanan for di Reino y esaki ela espresa na varios ocasionnan caba.

Geert Wilders, un politico, sumamente descriminatorio contra nos Arubianonan y cu elo si lo saca nos for di Reino, pa e simpel hecho cu su persona no kier sa nada di nos den tur sentido. Un politico na Hulanda cu a lanta hopi controversia, serca e diferente rasanan biba riba Hulanda y specialmente e musulmannan, pero tambe e marokanonan y otro nan cu no ta desendiente di origen Hulandes.

Nos Arubianonan ta ser considera cuidadanonan di segunda categoria pa e sorto di politiconan aki, manera Geert Wilders.

" Nos mester despedi di Antia" y otro expresion ta; " Gobiernonan corupto, manera Corsou, lo mester ser saca, inmediatamente for di Reino,", asina Geert Wilders ta opina.

Lo stop na duna fiansa na e gobiernonan corupto, antes Antia, mesora y lo manda tur e Antiyanonan criminal bek pa nan isla", asina Geert wilders ta opina den su programa di gobernacion y ta campaña cu ne awor aki den e campañ cu tin pa elecion pa september,2012.

Hecho si ta cu e actitud arogante y descriminatorio di Geert Wilders, ta hasi cu hopi simpatisante hulandes mes ta bandonando e fila di e partido cu eta lidera, PVV.

Tres politico prominente, ya caba a bandona e fila nan di e partido PVV y mas ta na caminda, segun informenan for di prensa hulandes. Tog, Geert Wilders ta keda cy un gran simpatisante su tras cu ta hiba e mesun opinion descriminatori cu e lider aki.

Loke Geert Wilders ta hasiendo na e momentonan aki na Hulanda, ta pone cu e miles di votradornan no hulandes, ya caba ta fija nan posicion contra di su persona y su partido, PVV, cu ta hasi cu Geert Wilders ya caba ta den un desventaha, pa loke ta trata votonan pa e por yega su meta den Gobierno hulandes y di lo tin e mayoria den Parlamento hulandes.

Sinembargo,esaki no ta kita cu mester tene e politico Wilders aki na bista masha di aserca, debi cu nos lo haya pisa for di su persona, si encaso, su partido, PVV, haya mayoria den Parlamento Hulandes.

Geert Wilders y su partido PVV, nan expresion ta duna un fuerte indicacion di racismo, no contra nos so, pero tur cu no tin wowo berde of blauw y no tin cabei blond y color di cuero cla!

Nos ta corda e fayecido, Pim Fortuyn, cu a ser asesina,na momento cu e tabata den pleno campaña electoral na Hulanda, na mei 6, 2002, na un edad di 54 aña di edad y tabata masha popular entre e hulandesnan pa tambe kier a trece cambionan radical na Hulanda contra tur esnan cu no ta Hulandes. Su asesinato nunca aser acopla cu decriminacion racional.

Pero den e caso unico aki di e lider di PVV, Geert Wilders, tin tur e ingredientenan di un politico cu ta racista y contra tur esnan cu no ta Hulandes.

Lo ta interesante pa sa di nos politiconan local, con nan pensamento referiente na e politico hulandes aki, Geert Wilders ta pa cu su

expresionan racista y descriminatorio, ya cu sigur na momento cu su persona tabata na nos isla aña pasa y a haya un red carpet treatment di nos Gobierno Eman y tog despues cu ela bai Hulanda, a keda expresa palabranan ofensivo contra di nos isla y nos hendenan.

Ban mira kiko lo ta e resultado di e elecion parlamentario hulandes na september awor y si enberdad, Geert Wilders y su partido politico, PVV, lo haya e mandato di mayoria di e pueblo hulandes pa cumpli cu su programa di gobernacion, den cual ta cla para pa saca nos afo y implementa reglanan descrimatorio, pa nos por drenta Hulanda bao su condicionnan den futuro.

Elo bai introduci, vis pa trabao y exigi diploma, si nos kier bai traha na Hulanda y mas otro rikisitonan descriminatorio. Sin conta riba e hecho cu Geert Wilders SI, por manda nos independencia per post, manera cu a ser bisa den pasado,pa politiconan hulandes, cu nunca a tribi di cumpli cu esei,pero e politico di e generacion mas jong, manera Geert Wilders si no ta duda ningun momento pa hasi tal.

Dia di Independencia di Merca a wordo celebra na Radisson

Vuurwerk, a ilumina e cielo di anochi ora cu Radisson Aruba Resort Casino & Spa a celebra dia 4 di Juli. Un cantidad di bishitante di afo como hende local, kendenan tur kier a sostene na un manera patriotico dia 4 di Juli, awo den su di 236 edicion, na Aruba, tabata presente pa e ocasion special aki.

E certificadonan a ser entrega pa Diputado di Educaion, Cultura y Deporte, Monk.

Presente na e ocasion festivo aki tambe tabata presente, representante di Hulanda, Van Der Wulp y Brigadier General, di CZMCARIB.

Yu Darvish, David Freese win vote

Texas Rangers pitcher Yu Darvish and St. Louis Cardinals third baseman David Freese were picked for the All-Star Game in online fan voting, Major League Baseball announced Thursday.

Darvish beat Chicago's Jake Peavy, Baltimore's Jason Hammel, Kansas City's Jonathan Broxton and Los Angeles' Ernesto Frieri to garner the final American League spot. He also became the eighth Ranger to be named to the All-Star Game.

"Do I still think I'm worthy or not? Personally, I voted for Peavy," Darvish said through a team translator.

Peavy had been supported by an aggressive marketing campaign by the White Sox.

"It just wasn't meant to be," Peavy said. "Obviously, we knew it's hard to outvote a country."

Japanese players have fared well in the All-Star Final Vote, with Hideki Matsui of the Yankees winning in 2004 and Hideki Okajima of the Red Sox winning three years later. In the NL, Freese secured his spot over 19-year-old Washington rookie Bryce Harper, Atlanta's Michael Bourn and Arizona's Aaron Hill.

An integral part of a Rangers rotation which has been hit hard by injuries, Darvish has posted a 10-5 record with a 3.59 ERA in 16 starts. The right-hander has registered 117 strikeouts in 102 2/3 innings.

"I feel very good," Darvish said. "I know the way I got selected was vote by the fans, so I appreciate all the fans who voted for me. So I'm looking forward to it." "I always thought he was an All-Star, and the fans proved that out," said Rangers manager Ron Washington, who will skipper the AL squad. "I'm very happy for Yu. He's come over here under some tough conditions, and he's worked hard to be where he is, and he deserved the right to be an All-Star."

Darvish is the second Japanese starting pitcher named to the All-Star Game, joining Hideo Nomo, who made it for the Los Angeles Dodgers in 1995.

A five-time All-Star while he played in Japan, Darvish signed a six-year contract worth $56 million with Texas in the offseason.

Freese, the World Series MVP last season when the Cardinals defeated the Rangers in seven games, is batting .286 with 13 homers and 50 RBI in 75 games this season.

Andy Murray awaits Roger Federer

WIMBLEDON, England -- Sunday's final will be one for the ages.

Or one for the British.

For Roger Federer, it's Wimbledon final No. 8, while Andy Murray will become the first native son in a final at the All England Club since 1938.

"I have one more match to go. I'm aware of that," said the 30-year-old Federer, who is 6-1 in Wimbledon finals. "Still, it's always nice beating someone like Novak, who has done so well here last year, the last couple years."

The 16-time Grand Slam champion beat last year's winner Novak Djokovic 6-3, 3-6, 6-4, 6-3 Friday under the roof on Centre Court to reach a modern-era record eighth final. He is now one victory from equaling Pete Sampras' record of seven titles.

The Scottish Murray beat Jo-Wilfried Tsonga later Friday to reach the Wimbledon final for the first time, winning 6-3, 6-4, 3-6, 7-5.

"It will be one of the biggest matches of my life," Murray said. "I've had experience with Roger in finals of Slams before, and to use that to my advantage and learn from my mistakes and also the things he did well -- it's going to be a very tough match. He's playing great tennis as always. Yeah, I've very excited."

If Federer wins Sunday's final, he'll take the No. 1 ranking from Djokovic and equal Sampras' record of 286 weeks as the top-ranked player.

Murray had lost in the semifinals in each of the last three years. He'll be the first British man to play in the Wimbledon final since Bunny Austin in 1938. The last British man to win the title was Fred Perry in 1936.

Murray has played in three major finals, losing in straight sets each time. Two of the matches, the 2008 U.S. Open and the 2010 Australian Open, were against Federer.

Federer is aiming for his 17th in his 24th major final.

"There's obviously a lot on the line for me in terms of winning here, the all-time Grand Slam record, world No. 1," Federer said. "I'm also going into that match with some pressure, but I'm excited about it. That's what I play for."

Federer and Djokovic went for winners on almost every point. But it was Federer who got the key points when they mattered in the third set.

"It's hard to fire bullets the whole time, so you try to also find some range. If he tees off first, it's hard to defend obviously," said Federer, who is now 1-0 against Djokovic on grass. "It's just not as easy to take that many balls out and come up with amazing shots time and time again. That's why I kept on attacking."

At 4-4, Djokovic had his chance with only his third break point of the match. Federer held with three service winners.

Moments later, while serving to stay in the set -- and, essentially, the match- Djokovic gifted Federer a pair of break points by blasting an overhead long with much of the court open. He saved one, but Federer's overhead smash on the second gave the Swiss great the third set, and put him on the way to the final.

"(I) had unfortunately a bad service game on 5-4, and obviously he uses his opportunities when they're presented," said Djokovic, who had reached the last four major finals. "So you have to be always consistent. I wasn't."

The win improved Federer's semifinal record at the All England Club to 8-0. His only loss in the final came in 2008, when Rafael Nadal beat him 9-7 in the fifth set.

"I hope I can keep my nerves," Federer said, looking to the final. "I'm sure I can. Then hopefully win the match. But we'll see about that."

William Renshaw and Arthur Gore also played in eight Wimbledon finals, but that was when the defending champion received a bye into the following year's final. That rule was changed in 1922. Renshaw won seven titles and Gore three.

On Friday, Federer earned the only break of the first set to take the lead, and Djokovic returned the favor in the second set to even the score.

The third set turned out to be decisive, and Djokovic fought to stay in it right from the start. After holding easily, Federer gained a break point when Djokovic sent a forehand long. Although the Serb saved it, and eventually held to 1-1, it was the beginning of the end for him.

The next three games went quickly and on serve, but Federer then earned a pair of break points in the sixth game. Djokovic again saved them, the first after a 24-stroke rally that ended with Federer's forehand going wide.

"He was the better player. In the important moments he was aggressive, hitting from both sides," Djokovic said. "Obviously, that's what you expect when you play against Roger at the final four of a Grand Slam. I knew that."

Jeremy Lin to ink offer sheet

Jeremy Lin has verbally agreed to sign a four-year offer sheet with the Houston Rockets on July 11, according to a source close to the talks.

The four-year deal is worth $28.8 million, with $10.2 million coming in the first two seasons and over $9 million in each of the last two. The fourth season is a team option.

The Knicks would have three days to match the offer after Lin, a restricted free agent, signs.

The Knicks repeatedly have said they plan to keep Lin.

"They will match any offer on Lin up to 1 billion dollars," a source told ESPN.com's Marc Stein.

A report in the New York Post on Wednesday, citing a league source, said the Rockets were planning to offer Lin a backloaded deal worth roughly $30 million.

"Jeremy Lin's an excellent player," Rockets general manager Daryl Morey told the Post. "We got to know him firsthand when he was with the Rockets early this season. We think he'd make a fantastic addition to our team."

The Knicks can offer Lin, a restricted free agent, a four-year deal worth $24.5 million.

While both Lin and the Knicks are hoping for a reunion, sources told ESPN The Magazine's Chris Broussard this past weekend that if a club offers Lin a backloaded contract that pays him an eight-figure salary in the third and fourth years, as Houston has done, the Knicks could be given pause about matching the offer.

With the new collective bargaining agreement employing a more punitive luxury tax, beginning with the 2013-14 season, the Knicks are extremely concerned about the financial ramifications of such a deal, sources said.

The Rockets had Lin in training camp last season, but waived him because they already had Kyle Lowry and Goran Dragic on their roster. Now that they've traded Lowry to Toronto, and with Dragic headed to Phoenix, Houston is trying to get Lin back.

Lin averaged 14.6 points, 6.2 assists and 3.1 rebounds in 35 games with 25 starts before his season was cut short because of surgery to repair torn cartilage in his knee.

Lin, who went undrafted out of Harvard, became a sensation with a remarkable stretch in February, scoring at least 20 points in nine of 10 games. A high point of that span came Feb. 10, when he scored 38 points and had seven assists in a 92-85 win over the Lakers.

The Rockets already are popular in Asia because of the career of former star Yao Ming, who retired in 2011. With Yao's retirement, Lin could add to their appeal there as the first American-born player of Chinese or Taiwanese decent.
